PROFILE

As a stylist I am passionate and committed in the field of work I do. My main role lies in music videos, styling of bands and extras, editorial and now progressing into film and television as I have an observant eye to the natural simplicity of things as well as being able to develop different looks. I learn quickly and adapt well to given situations, holding a great deal of enthusiasm for working together as a team or alone.

FASHION SHOWS

ZOO YORK / MADA , Melbourne & Sydney 2004
Coordinator of Zoo York / MADA fashion shows at both Melbourne and Sydney Vice Birthday Party events. This involved preparing, styling, dressing and supervising six changes per model to a tight schedule whilst managing wardrobe and assistants.

EXTRA PROJECTS

Produced a progressive magazine 'Astereofpeople'.
Published work in Pavement Licker magazine.
Created and manufactured '3D Relish' textile toys for commissions in Brighton and Melbourne.
Run a popular indie night called Super Youth.
Edited and Produced 'Sloth' Video and 'Farewell Mod' Video.
Artwork featured in 'Bypass Gallery' also awarded Winner of Art Competitions at SouthDowns.
Constant progression through sketchbooks, drawing and creating ideas that I could use and any reference materials for my thought processes to stretch my mind creatively.
